Two more games remain on their schedule.

The open field running of Budge was the outstanding feature of this contest. Late in the third period he accepted a Davis punt and raced 61 yards through a broken field for a touchdown. His work at hitting the line and circling the ends was commendable.

Time and again during the game Budge would break away in an open field for long runs, many times going to the Davis safety man before being downed.

Captain Ken Anderson also played his unall strong game. His end runs were engineered with ability. Couch and Harvey were the big stars and the first period.
